INFORMATION ITEM

SUBJECT	March 31 Average Daily Membership
RATIONALE	<p>Our preliminary March 31, 2017 average daily membership (ADM) as reported to the Virginia Department of Education is 2,113.2. This level is 13.2 students more than the 2,100 upon which our 2016-2017 budget is based, and is 62.9 less than the March 31, 2016 membership of 2,176.1.</p> <p>The average daily membership is a cumulative average of our division-level enrollment from the first day of school through March 31. It incorporates prorated membership for students who leave or enroll in the division during this time period. The March 31 average daily membership is a major component in the process by which the Virginia Department of Education computes our annual funding.</p> <p>If you have questions or comments, please contact me. Thank you.</p>
